

Washington D.C. is inspirational with it's rich cultural and musical diversity. The years Daniel spent in Italy and France were also very influential in deepening his musical experience. After working in FM radio and clubs in northern Italy he returned to spin in his home town, maintaining a summer dj residence in Italy on the island of Elba.

dj Daniel has worked at various clubs in DC, currently featured at Mie n You. He and a network of other deejay's on the east coast and in Europe collaborate on projects and exchange ideas in order to present a wide array of global beats for friends and fans.
